

# LE MERIDIEN In Bangkok, Thailand

Le Méridien Bangkok warmly welcomes guests to its newly refreshed home. In the beating heart of Bangkok, discover how the hotel has been reconceptualised in terms of guest rooms, food + beverage presentation and general décor, including a new Memphis-style smokehouse restaurant “Rolling Ribs Brew Bar & BBQ” and a remodelled restaurant + bar.

Le Méridien Bangkok stands out in the Thai capital's Silom commercial district with all 282 guest rooms looking out over the cosmopolitan energy bustling through the surrounding streets.

Restrained sophistication greets every guest in subtly stated room design, each equipped for modern accommodation experiences with virtual office extension.

The hotel offers two distinct restaurants and three bars to explore, and wellness remains at the forefront with SPA by Le Méridien, Flow Onsen, Fitness Centre furnished with the latest in exercise Matrix equipment and an outdoor swimming pool.

Four fully-equipped meeting rooms and two boardrooms fully adapt to wide ranging requirements for hosting business events and social gatherings.

Guests can step into the unexpected at the nearby Patpong Night Market and entertainment zone or venture into any of the area's renowned eateries and small shops. Le Méridien Bangkok is located nearby Saladaeng skytrain and Sam Yarn subway stations facilitating convenient transportation to shopping and sightseeing attractions.

Le Méridien Bangkok is less than an hour from Suvarnabhumi and Don Muang international and domestic airports.
