

SIX SENSES ULUWATU, BALI

In Bali island,Indonesia

Six Senses Uluwatu, Bali is nestled in Pecatu, located at the southernmost tip of Bali, where the revered Pura Uluwatu stands as a cornerstone of spiritual significance on the island. Uluwatu embodies a convergence of ancient traditions, pristine beaches, renowned surfing spots, and a diverse wellness and dining scene. The resort's setting is nothing short of awe-inspiring, perched atop limestone cliffs that overlook the vast expanse of the Indian Ocean, providing uninterrupted ocean view from every angle.

Since its unveiling in 2018, Six Senses Uluwatu has forged meaningful connections with the environment, the local community, and each guest. Beyond the enchanting surroundings, the resort is dedicated to sustainability, community engagement, and wellness. Embracing the distinctive style of Six Senses, the resort's accommodation options, including 28 sky suites and 75 cliff pool villas are meticulously designed to provide guests with raw and unfiltered moments echoing Bali's heart
