

THE WESTIN YANTAI

Lying on the southern coast of the Bohai Strait in northeastern Shandong province, Yantai boasts critical geographic importance with sea access to both the Bohai Sea and the Yellow Sea. It has evolved from a fishing village to the largest fishing seaport and the second-largest industrial city in Shandong. The Westin Yantai is strategically located adjacent to the Bajiaowan International Convention & Exhibition Center, the largest in the city, offering easy access to both the Penglai International Airport and popular attractions including the Changyu International Wine Castle for vineyard touring and wine-tasting, Penglai Pavilion, San Xian Mountain, Eight Immortals Crossing the Sea are also quite worth visiting. The hotel is 20 kilometers from Yantai Penglai International Airport, 30 kilometers from Yantai Train Station, with easy access to Qingdao, Weihai and Jinan, and other major cities in the country.

The Westin Yantai offers 267 meticulously designed guestrooms and suites with interiors boost raw wood materials and natural imagery. Including leaf-shaped illuminations that cast nature-inspired shadows on the ceiling to create a sensory experience with mottled light that reveals the texture of the leaves. True to the brand's Sleep Well pillar, all guestrooms and suites feature the signature Heavenly® Bed, uniquely designed to revitalize the body and mind for a restorative slumber. Other amenities include high-speed Internet access, a generous work area with an ergonomic chair, and a 55-inch LCD TV to help guests to stay productive and feel at ease. The sleek bathrooms are fitted with Heavenly® Bath rain showers, Westin's signature White Tea aloe bath amenities, extra-large bath sheets, and plush bathrobes to help guests feel rejuvenated.

With four themed restaurants and bars offering diverse culinary sensations, guests can Eat Well and enhance their well-being at The Westin Yantai. The Market all-day-dining restaurant offers an international buffet with an inspirational array of global flavors and seasonal local delights and a refined a-la-carte menu. Yun Ting specializes authentic taste of Cantonese cuisines and Jiaodong, Master Chef selects local ingredients and mixes flavors according to the season, with 9 private dining rooms, make it an ideal destination for family gathering and business dining. With a trademark feature that combines finesse, freshness, and originality, Mai presents authentic traditional Japanese cuisine with a focus on Kaiseki and Sushi. Haven, the hotel's lobby lounge, offers a plethora of desserts, afternoon tea, fresh ground coffee, and beverages in an tranquil and intuitive space.
